

## Villa Bella – Life Begins in Retirement

The age-old quandary of what to do and where to live when retirement comes has been answered. Move to Villa Bella in Clinton Township. The bustling retirement community is filled with lively entertainment, incredible food and all the amenities anyone could ask for.

The 128-apartment complex offers eight floor plans with more than just a place to sleep. Each individual apartment is well-appointed with all the comforts of home according to General Manager Karen Moreland.

"Everything you would ever want out of a luxury retirement community," she said.

The slice-of-retirement-heaven apartments come with a full kitchen, spacious closets, tub or walk in shower, smoke detectors, private patio or balcony, individually controlled heating and a/c.

Retirees will feel like royalty as standard services include 30 made from scratch meals a month from on-sites chefs, daily continental breakfast, housekeeping, weekly linen, 24-hour response and courtesy staff and scheduled

transportation.

The Ninth Annual Car Show will be held on August 3rd with 80 classic cars on site from 6:00 – 9:00 p.m. Free food and entertainment with no registration fee for the cars. Take a tour while attending the car show and check in on Facebook (give them a 'Like' as well). Show the staff you did and get a free lunch.

Villa Bella offers a Men's Social Club, Chapel, exercise rooms, physical therapy, computer lab, game room, private dining rooms, movie theatre and a convenience store.

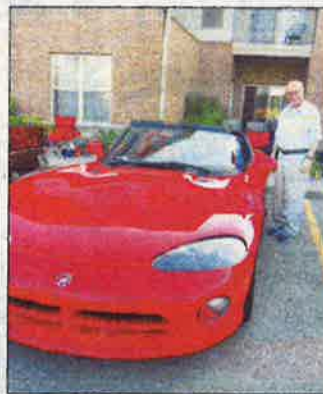

"It's a beautiful place where people don't have to worry about their moms and dads," Moreland said. "It's everything you'll fall in love with."
